

Miss Suzanne Hewitt is our new Essential Skills Coordinator. She helps to ensure that all students receive extra support with their learning if they need it.

Miss Hewitt has devised the new homework schedule. This will make it easier to concentrate on improving skills when students learn at home.

This year we will concentrate on improving our students' ability to:

- Read all texts (visual literacy)
- Ask and answer questions
- Speak effectively
- Structure their writing and improve their Maths skills

Your child also has an Essential Skills Mentor.

Look at your child's learning journal to find out who this is.
